SUPPLEMENT A2

SUPPLEMENT FOR CHINESE REGISTERED AIRCRAFT

SECTION 1 - GENERAL

This Supplement must be attached to the approved Flight Manual for Chinese registered aircraft.

The information contained herein supplement the basic Flight Manual. For limitations, procedures and performance information not contained in this Supplement consult the basic Flight Manual. Wherever conflict arises between information reported herein and on the approved Flight Manual, the information in this Supplement must take precedence.
NOTES, CAUTIONS AND WARNINGS

In this Supplement the Note, Caution and Warning indications are supplied in accordance with these definitions:

**NOTE**  An operating procedure, technique or maintenance practice which is considered essential to emphasize.

**CAUTION**  An operating procedure, technique or maintenance practice which may result in a minor damage if not carefully followed.

**WARNING**  An operating procedure, technique or maintenance practice which may result in personal injury or loss of life if not carefully followed.
SECTION 2 – LIMITATIONS

Reference is made with relevant paragraph of the basic Flight Manual
